

Lakewood Hospital has been serving our community for over 100 years.

But now, The Mayor and some Officials plan to **bulldoze** our hospital - at our expense - and let Cleveland Clinic build a daytime-only 'wellness center' (an office building).

This means: **NO Patient Rooms** and **NO Operating Rooms** for **medical** or **surgical in-patient intervention** of any kind.

No Orthopedics / Joint Replacements
No Intensive Care Unit

No Obstetrics
No Stroke Care

No Cardiology / Neurology
No Gero-psyche

Our Community Needs a Neighborhood Hospital.
